

# FAQ: Delayed off with multiple initiators

For a general explanation about Velbus, please consult the installation guide on [www.velbus.eu](http://www.velbus.eu).  
Always use the latest version de Velbuslink, freely downloadable on [www.velbus.eu](http://www.velbus.eu) > Support > Downloads.

## 1. Question

The ventilation has to start when the light in the bathroom or the kitchen is switched on, and has to stop 30 minutes after the last light has been switched off. How to program this in Velbuslink?

## 2. Answer

Program the following actions:
